

INDIAN STATISTICAL INSTITUTE

Mathematics Talent Reward Programme, 2016

DETAILS

Integration, Indian Statistical Institute, Kolkata is organizing the Mathematics Talent Reward Programme during 17th January to 24th January, 2016. The aim of this programme is to increase interest and create awareness about Mathematics among school students. This programme also offers the students to assess themselves with respect to their contemporaries throughout the state.

Rules & Regulations:

- The qualifying examination will be held on 17th January, 2016 at ISI, Kolkata. It will be held in two categories, one for class IX and another for class XI.
- The registration fee is Rs. 100/- for both the classes, payable at the time of submission of the form.
- The forms, along with the entry fee will be collected from the Principal/ Headmaster/ Headmistress of the school.
- The admit cards and sample questions for each participant will be provided to the school after receiving the filled up forms.
- Students scoring above a cut-off mark in the written test for each category will be selected for the orientation camp to be held on 23rd January and 24th January 2016 in the institute.
- The camp will be conducted by a group consisting of ISI faculties, scholars from other universities and past INMO awardees.
- Based on the performance in the camp, the top few students from each category will be rewarded with one-time cash scholarships while all the other participants will receive medals, certificates and other prizes.

Reference:

The students appearing in MTRP 2016 will get the unique opportunity to procure a limited edition “MTRP Problem Primer” published by Integration, Indian Statistical Institute against a fixed donation. The non-routine content of the book will help the talented students in learning mathematics through problem solving. The book is expected to be available from 1st December.
